Ruby red with garnet reflections it arrives to the nose with a pleasurable fruity and floral bouquet enriched with vivid spices and lightly burned firewood scents. A good structure is provided on the palate, with notes of raspberry and rose sustained by heavy tannins and a good texture.

Food Pairing: Red meat, braised, stews and roasts and truffle based dishes.

Nebbiolo: one of the world's five greatest grapes – and here offering a smorgasbord of red rose, sour red cherry and delicately spicy aromas and flavors is the Gemma Line which has been winning awards for years.
